3rd Transnational Meeting in Riga

The third transnational partner meeting of 100 Mirrors Inclusive project took place at the Astor Hotel in Riga, Latvia on the 21st and 22nd February, 2018. The main aim of the meeting was to discuss the progress of the project and to set new deadlines for the remaining outputs.

The meeting was hosted by our Latvian partners, Biedrība Eurofortis. Over the two days of the project's meeting, the consortium discussed the management of the project, the dissemination and exploitation activities and the various outputs. The project is now at a very exciting stage and the partners are working earnestly to provide the infrastructure of the e-learning platform and also the content of the training that will be piloted later on this year.

The next transnational meeting will be held in Malta on the 3rd and 4th October, 2018.

Pilot of the Methodology

You Can Help

Later on this year, the partnership will start with the pilot of the methodology and the outputs developed. its importance and significance lies in your willingness to use these materials to improve your skills.

Dare to be a Mirror!

100 Mirrors Inclusive: Tools for the motivation of enterprising disabled women, promoted by Erasmus + has already completed one year of life and throughout this time, in line with its objective of dissemination, we have searched and gathered on the website women entrepreneurs with disabilities among all member countries of the consortium so that their example can inspire other women to do something similar. We call these inspiring women Mirrors! All inspiring stories are already uploaded on the [webpage](#) and on the [Youtube Channel](#). Cheer up and take a look! Surely, you won't be indifferent.

After our last coordination meeting in Riga (Latvia), we decided to go further with this goal and open the search space throughout Europe. To do so, we will ask our contacts to collaborate to help us locate these wonderful women who want to dare to inspire other women. If you want to be one of our Mirrors, or if you know someone who could be one, you can fill in your details on the '[Contact Us](#)' page of the [project website](#). Once completed, click submit and someone will be in contact shortly. Dare to inspire!
