### **Kick off meeting**

The 22nd and 23rd of November the partnership met each other in the first transnational meeting in Madrid. In these firsts' working days, partners talked about the distribution of the Intellectual Outputs production, project deadline, the financial and administrative project and the strategy of dissemination. In other words, these days the bases were clarified and the first steps were taken in the formation of the lines of work that partnership would be shared from that moment.

### **The strategy of dissemination and exploitation**

One of the most important issues in the project is the dissemination activities. The bigger intention of the consortium is to reach as many disable women, and organisations which work with them, as possible. Nowadays, with the global possibilities, this is such an important work as a necessary one. For this, 100

Mirrors Inclusive project have started by creating a Facebook page: <https://www.facebook.com/100MirrorsIncl/?fref=ts>. In the same way, the partnership is working in the creation of a Website and the beginning is that the domain is already done: it is [www.100mirrors-inc.eu](http://www.100mirrors-inc.eu). It will be ready shortly!

## Training Mobility in Malta

The next encounter is the most relevant one of the project, because it will not be only a partnership meeting, it will be a very special work days: two trainers/researches and two disabled women entrepreneurs of every partner will participate to a short term joint staff training in Malta so to develop a Concept note about the methodology to be developed in the project.

The strength of the project lies in giving encouragement to the ambitions of women with disabilities who want to start a business, from the root already germinated of others who have already achieved it: from example to fact.
